

PRESIDENZA VENERANDA ARCA DI S. ANTONIO

a cura di  
CRISTINA SARTORI

A detailed marble sculpture depicting St. Anthony of Padua and the Christ Child. St. Anthony is shown standing, wearing a simple habit, holding a book or tablet. The Christ Child is seated in front of him, looking up. Other figures are visible in the background, including a woman and a child, all rendered in a classical style with fine detail in the drapery and facial features.
